Introduction

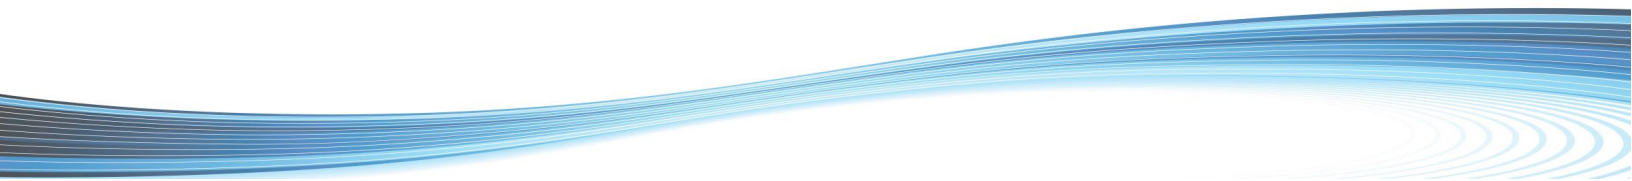

The Sydney Coastal Councils Group (SCCG) Funding Guide is produced and updated annually to assist Member Councils and other Stakeholders in identifying funding opportunities to support the management and protection of Sydney's coastal and estuarine environments. The Guide provides a wide-ranging and structured list of funding opportunities available to councils and other stakeholders in a single resource.

The production of the Funding Guide is part of the SCCG Capacity Building Program that builds the role and capacity of Member Councils and other stakeholders to sustainably manage urban coastal and estuarine environments.

The Funding Guide is organised under 12 categories listed alphabetically. There is also an Awards section at the end. Where possible, available funding amounts and application deadlines are identified. Where this information was not available at the time of publication, users are encouraged to visit the website listed for further updates.

In addition to this Guide, the SCCG publishes upcoming grant opportunities in its monthly update on the [SCCG Website](#).

The SCCG invites feedback and enquiries in relation to the information contained in this resource. Please direct your queries or comments to admin@sydneycoastalcouncils.com.au

Grant / Funding Organisation	Funds Available	Deadlines	Overview
ASSETS AND INFRASTRUCTURE			
Active Transport, including Walking and Cycling Program Transport for NSW	Variable	Check website for future updates.	In line with the NSW Long Term Transport Master Plan (LTTMP), Sydney's Walking Future, Sydney's Cycling Future and the Regional Transport Plans; there is a focus on improving walking and cycling connections within major centres. The purpose of this is to increase opportunities for people to walk and ride their bikes more often to help reduce congestion, particularly around schools, employment centres and universities. http://www.rms.nsw.gov.au/business-industry/partners-suppliers/lgr/active-transport/index.html , or email activetransport@transport.nsw.gov.au .
Community Building Partnership NSW Government	Up to \$300,000 available per NSW Electorate	Check website for future updates.	The Community Building partnership provides grants to fund the building and improvement of local community facilities. Applicants should demonstrate how their project will benefit their local community through the building or improvement of facilities to deliver positive social, recreational or environmental outcomes. Incorporated not-for-profit community organisations and local councils are eligible to apply. https://www.nsw.gov.au/projects/community-building-partnership or email cbpinfo@dpc.nsw.gov.au
Crown Reserves Improvement Fund HaveDepartment of Planning, Industry and Environment – Housing and Property (NSW)	Up to \$16 million available	Applications for 2023/24 opened on 2 May 2022 and closed 3 June 2022. Check website prior to October 2024 for 2024/25 funding round.	The CRIF provides financial support for the development, maintenance and improvement of public reserves. Managers of any NSW Crown reserve, as well as freehold showgrounds may be eligible to apply for funding. https://reservemanager.crownland.nsw.gov.au/funding/crif or email reservefunding@crownland.nsw.gov.au
Greening our City Grants LGNSW in partnership with DPIE	Grants are for a minimum of \$50,000	Check website for future updates.	Applications are now open to councils in Greater Sydney for tree planting and green ground cover grants to create cooler suburbs. https://www.dpie.nsw.gov.au/premiers-priorities/greening-our-city/greening-our-city-grant/2022-greening-our-city-grant
Regional roads funding assistance to Local Government Transport for NSW	Variable	Check website for future updates.	Local Governments are eligible to apply to the NSW Government for financial assistance for repairs and maintenance to regional (council-owned) roads through the Regional Road Block Grant Program available to councils annually: http://www.rms.nsw.gov.au/business-industry/partners-suppliers/lgr/grant-programs/regional-road-block-grant.html

Grant / Funding Organisation	Funds Available	Deadlines	Overview
			<p>and the REPAIR (Repair and Improvements of Regional Roads) 50% contribution from State Government: http://www.rms.nsw.gov.au/business-industry/partners-suppliers/lgr/downloads/factsheets-report/131216_factsheet03_repair.pdf</p> <p>Other funding sources for regional roads through Federal Government financial assistance and the Roads to Recovery Program: http://www.rms.nsw.gov.au/business-industry/partners-suppliers/lgr/downloads/factsheets-report/factsheet04-other-funding.pdf.</p>
NSW Boating Now Transport for NSW	Up to \$750,000	Check website for future updates.	<p>The NSW Boating Now Program provides grant funding for maritime infrastructure and facilities needed across NSW for safe, accessible and enjoyable recreational and commercial boating. The investment also supports broader economic and social benefits for local communities and visitors. The program is funded through boating licence and registration fees which are invested back into initiatives that improve boating in local communities.</p> <p>https://www.transport.nsw.gov.au/projects/current-projects/nsw-boating-now</p>
CLIMATE CHANGE			
Australian Carbon Credit Unit Scheme Clean Energy Regulator (Australian Government) u	Variable	Ongoing	<p>The objective of the Australian Carbon Credit Unit Scheme is to help Australia to meet its emissions reduction target. Through the Scheme, the Government will purchase lowest cost abatement (in the form of Australian carbon credit units) from a wide range of sources, providing an incentive to businesses, households and landowners to reduce their emissions proactively.</p> <p>https://cer.gov.au/schemes/australian-carbon-credit-unit-scheme</p>
COASTAL & MARINE			
Coastal and Estuary Grants Program Department of Planning, Industry and Environment (NSW)	Variable	<p>The 2023-24 Planning funding stream is open. Implementation stream for 2023-24 closed 31 August 2023. Significant Open Coastal Hazards stream is open to councils throughout the year.</p>	<p>Under the Coastal and Estuary Grants Program, the NSW Government provides technical and financial support to the local government to help manage the coastal zone. The Coastal and Estuary Grants program's objectives are to support local government in, managing the risk from coastal hazards, coastal erosion, restoring degraded coastal habitats, and improving the health of NSW estuaries, wetlands, and littoral forests. This grant now incorporates the previous Estuary Management Grants Program.</p> <p>Funding in Stream 1 is available to support preparation of Coastal Management Programs. Streams 2 to 5 funding is available to support implementation of actions identified in certified coastal zone management plans (CZMPs) or Coastal Management Programs (CMPs). Stream 6 funding is available for significant open coast hazards if works are considered urgent and cannot wait until the next funding round.</p>

Grant / Funding Organisation	Funds Available	Deadlines	Overview

COMMUNITY			
Caterpillar Sponsorships Caterpillar	Variable	Ongoing	Caterpillar provides sponsorship opportunities to give back to communities and improve quality of life in a more efficient, environmentally sensitive manner that positively reflects the brand values, showcase Caterpillar technology solutions and support their long-term environmental, economic and social commitments. Applications must be submitted at least 90 days prior to the event/activity. https://www.caterpillar.com/en/company/working-together/sponsorships.html
Strategic Grants Australian Ethical Foundation	Variable	Ongoing	Australian Ethical Foundation offers Strategic Grants to support projects aligned with their mission of creating a more sustainable, equitable, and thriving world. These grants focus on initiatives that address environmental, social, and governance issues, particularly in areas like climate change, conservation, human rights, and ethical investing. The Foundation seeks to partner with organisations that demonstrate innovative approaches and measurable impact in advancing these goals. Applicants are encouraged to align their proposals with the Foundation's core values and strategic priorities for maximum effectiveness. https://www.australianethical.com.au/foundation/strategic-grants/
Environmental Education Grants Department of Planning and Environment	Up to \$250,000	The program is currently closed to applications and will reopen in September 2024.	This Environmental Education grant supports environmental education projects that develop knowledge, skills, commitment to, and ongoing participation in protecting the environment. https://www.environment.nsw.gov.au/funding-and-support/nsw-environmental-trust/closed-programs/eco-schools
Lead Environmental Community Groups Program NSW Environmental Trust	\$30,000 - \$70,000	Program is currently under review and is closed to applications. Check website for updates.	The Lead Environmental Community Groups (LECG) Grants Program aims to assist eligible environmental community organisations in delivering community education to build capacity of the NSW community in protecting and conserving the environment. https://www.environment.nsw.gov.au/funding-and-support/nsw-environmental-trust/grants-available/lead-environmental-community-groups
Sponsorship	Variable	Applications for sponsorship	The Office of Environment and Heritage Sponsorship program offers limited sponsorship opportunities for projects, programs and events that align with and advance their strategic goals but are not already covered under the various OEH grant programs.

Grant / Funding Organisation	Funds Available	Deadlines	Overview
NSW Department of Planning, Industry and Environment		accepted at any time.	https://www.environment.nsw.gov.au/funding-and-support/sponsorship or email ees.sponsorship@environment.nsw.gov.au

CONSERVATION & BIODIVERSITY			
Environmental Restoration and Rehabilitation Grants NSW Environmental Trust	Variable	The program will reopen for application in 2024 following an independent evaluation. Check the website for updates.	The aim of the Environmental Restoration and Rehabilitation Grants is to assist community and government organisations to contribute to the ongoing sustainable management and stewardship of significant environmental assets and services in NSW https://www.environment.nsw.gov.au/funding-and-support/nsw-environmental-trust/grants-available/environmental-restoration-and-rehabilitation
Metropolitan Greenspace Program Department of Planning, Industry and Environment	Variable	Applications for 2023-24 close 29 April 2024. Check website prior to October 2024 for details of 2024-25 funding round. up	The Metropolitan Greenspace Program (MGP) helps create liveable places, great neighbourhoods and build sustainable communities in Sydney and across NSW. The MGP commits grant funding to local councils in Greater Sydney and the Central Coast for projects that improve and increase access to regionally significant open space. https://www.planning.nsw.gov.au/plans-for-your-area/infrastructure-funding/metropolitan-greenspace-program or email greenspace@planning.nsw.gov.au
Purves Environmental Fund Grants Purves Environmental Fund	Up to \$50,000	Ongoing	This Sydney-based Fund was established in August 2004 by Robert Purves AM. The Fund's mission is to advance environmental sustainability and preserve biodiversity, primarily through individuals and organisations' education. The maximum funding period is 12 months. The current focus areas of the Fund are: <ul style="list-style-type: none"> • Species loss from habitat destruction • Landscape management land and water resource management • Climate change and solutions https://www.purvesenvirofund.org.au/
Small Environmental Grant Scheme The Norman Wettenhall Foundation	Usually less than \$10,000	Multiple rounds approved four times per year: Application dates remaining for 2024: 17 th June 2024 (funding released August 2024)	The Small Environmental Grant Scheme provides support for groups/individuals undertaking projects that positively impact the natural living environment. The Foundation is looking for projects on flora and fauna conservation, threatened mammal conservation, and landscape restoration and education. These projects should involve any of the following: <ul style="list-style-type: none"> • monitoring, recording and sharing data • delivering community education • providing community capacity building (e.g. skills training, organisation) • research and science http://nwf.org.au/grants/small-environmental-grants/

		9 th September 2024 (funding released in November 2024)	
		9 th December 2024 (funding released January 2025)	
Wildlife Link The Tony and Lisette Lewis Foundation	Not specified	No details of current funding rounds. Check website and contact Foundation for details.	The Tony & Lisette Lewis Foundation was established by the late Mr Tony Lewis and his wife Lisette. Through its "WildlifeLink" program, the Foundation is dedicated to propagating, preserving, and protecting wildlife in Australia and the conservation of its habitat. The program's principal aims are to support land acquisition for sanctuaries; research into wildlife and its habitat; environmental education and awareness; rescue & rehabilitation; and sponsor projects by organisations committed to philosophies similar to those of the Foundation. https://wildlifelink.wixsite.com/wildlifelink Enquiries by email only: gailbaker@wildlifelink.com.au
CULTURE & HERITAGE			
Community Heritage Grants National Library of Australia	Up to \$15,000	Applications are now open for 2024 – see below: New applicant applications have closed. Repeat recipient applications close 4 June 2024. Training project applications close 4 June 2024.	The CHG program provides grants of up to \$15,000 to community organisations such as libraries, archives, museums, genealogical and historical societies, multicultural and Indigenous groups. The grants are provided to assist with preserving locally owned, but nationally significant collections of materials that are publicly accessible including artefacts, letters, diaries, maps, photographs, and audio-visual material. https://www.nla.gov.au/content/community-heritage-grants-4

NSW Heritage Grants NSW Government	Variable	Applications for the 2023-25 round are closed.	The NSW Heritage Grants program assists owners and managers of state significant heritage items, Aboriginal heritage and local government heritage and communities in NSW to care for their heritage. A range of programs are on offer including: <ul style="list-style-type: none"> • Activating State heritage grant • Aboriginal Cultural Heritage Grants • Caring for State Heritage Grants • Community Heritage Grants • Local Government Heritage Grants • Emergency Works Grant (open continuously subject to available funding) https://www.environment.nsw.gov.au/topics/heritage/grants-and-funding See website for application details: https://www.heritage.nsw.gov.au/grants/applying-for-a-grant/
Protecting our Places Grants upDepartment of Planning, Industry and Environment	Up to \$80,000 over two stages	Applications closed 2 April 2024. Check website prior to January 2025 for 2025 round.	To facilitate the sharing and protection of Cultural knowledge with and between Aboriginal groups, government and public stakeholders, to contribute to the improvement and the management of environmental and cultural resources on country. Volunteer Museum Grants Museums & Galleries of NSW	Various \$2,000	Skills development grants open now until 27 October 2024. Small Grants Round 1 close 15 July 2024 and Round 2 close 8 September 2024. Leg up grants close 27 October 2024. Project Development Grants open 15 July	Museums & Galleries of NSW have several Volunteer Museum grants available, including the following: Skills Development Grants- Up to \$4000 Small Grants- Up to \$2000 (Opening 1 February 2021) Leg Up Grants- Up to \$500 Project Development Grants- \$2500 to \$7500 Check the website for further details and the guidelines for each grant. https://mgnsw.org.au/sector/funding/grants-we-administer/volunteer-museum-grants/

		2024 and close 8 September 2024.	
EDUCATION & CAPACITY BUILDING			
Early Childhood development Grants The Ian Potter Foundation	Variable	This program will be closed until Round 2, 2025. Check websites for updates.	Through its Early Childhood Development program, the Ian Potter Foundation is committed to supporting strategic, whole-of-community approaches to education in order to make real, long term improvements to programs and initiatives in early childhood. https://www.ianpotter.org.au/what-we-support/fair-early-childhood-development/
Environmental Education Grants Department of Planning and Environment	Up to \$250,000	The program is currently closed to applications and will reopen in September 2024.	This Environmental Education grant supports environmental education projects that develop knowledge, skills, commitment to, and ongoing participation in protecting the environment. https://www.environment.nsw.gov.au/funding-and-support/nsw-environmental-trust/closed-programs/eco-schools
EMERGENCY MANAGEMENT			
Disaster Relief and support for local councils Resilience NSW (NSW Government)	Variable	Timing not specified. Check website for contact details. More information will be available on Natural Disaster risk reduction grants in the coming weeks. Check website regularly.	NSW Government provides financial relief and support services for eligible local councils following a natural disaster. Some types of support require a disaster declaration for the affected location. Assistance is provided to restore public infrastructure and assets and for disaster risk reduction. Several grants are provided every year to support the state and community. Regional and community groups who have identified projects to help build resilience in the community are encouraged to contact Resilience NSW grants team at grants@resilience.nsw.gov.au . Direct link to the disaster relief and support for local councils: https://www.nsw.gov.au/topics/disaster-relief-and-support/disaster-relief-and-support-for-local-councils Link to Resilience NSW website for other disaster relief and support links and a range of government projects and initiatives: https://www.nsw.gov.au/resilience-nsw

ENERGY			
Advancing Renewables Program Australian Renewable Energy Agency (ARENA) (Australian Government)	\$100,000 to \$50 million	Open until funds are exhausted. See website for details.	This program supports development, demonstration and pre-commercial deployment projects that can deliver affordable and reliable renewable energy for Australian families and businesses. ARENA wishes to attract and fund projects that align with its Investment Plan and priority low emissions technologies and emerging and enabling technologies. Local government is eligible to apply. https://arena.gov.au/programs/advancing-renewables-program/
NRM / AGRICULTURE, FORESTRY & FISHERIES			
Department of Agriculture Grants Department of Agriculture (Australian Government)	Variable	Various dates, check website.	The Department of Agriculture provides grants and assistance packages for Drought Assistance, Farm Finance, Research and Development, the Carbon Farming Futures Program, the Carbon Farming Initiative, Science and Innovation Awards for Young People in Agriculture and Natural Resource Management Grants. Visit the website for more information on each of these initiatives. http://www.agriculture.gov.au/ag-farm-food/drought/assistance/other-assistance Or call 1800 900 090
Floodplain Management Grants Department of Planning, Industry and Environment	Variable	The 2024-2025 funding round is closed.	The Floodplain Management Program provides financial support to councils and eligible public land managers for the development of floodplain risk management plans (and associated background studies) and the provision of essential information to the State Emergency Service to enable the effective preparation and implementation of local flood plans to deal with flood emergency response. https://www.environment.nsw.gov.au/topics/water/floodplains/floodplain-management-grants
Local Land Services (LLS) NSW Government	Variable	No longer funding community grants. There is incentive funding to councils on a need's basis depending on funding availability.	Local Land Services continue to implement natural resource management and sustainable agriculture programs with funding from both the NSW and Australian Governments. Funding is available to landholders, local government and other groups to carry out projects that align with the Greater Sydney Local Strategic Plan and funder priorities. To find out more about funding call 02 4724 2100. Or click the link below to select the region https://www.lls.nsw.gov.au/regions
Landcare Australia Australian Government	Variable	No grants are currently open, check website for updates or subscribe to newsletter.	Landcare Australia works with governments, corporate and philanthropic organisations and donors to facilitate funding for good quality, hands on projects and programs that will improve environmental outcomes for the Landcare community. https://landcareaustralia.org.au/grants/

<p>Recreational Fishing Trust Department of Primary Industries (Fishing & Aquaculture) (NSW)</p>	Variable	Ongoing u	<p>All money raised by the NSW Recreational Fishing Fee is placed into the Recreational Fishing Trusts and spent on improving recreational fishing in NSW. These trusts are regulated by law and overseen by two committees made up of recreational fishers - one for saltwater and one for freshwater. Anyone can apply, including fishing clubs and organisations, universities, councils, community groups and individuals. Joint applications are encouraged.</p> <p>There are different funding application forms to choose from when applying for funding:</p> <ol style="list-style-type: none"> 1. Small projects - seeking less than \$10,000 of funding, 2. Large projects - seeking more than \$10,000 of funding <p>http://www.dpi.nsw.gov.au/fishing/recreational/recreational-fishing-fee/licence-fees-at-work</p>
<p>Habitat Action Grant</p>	Up to \$40,000	Applications closed for 2023/2024.	<p>The Habitat Action Grant funds on ground actions to improve fish habitat and recreational fishing in NSW. Habitat rehabilitation projects that may be funded include removing or modifying barriers to fish passage, rehabilitation of riparian lands, re-snagging waterways with timber structure, removal of exotic vegetation from waterways, and replace with native species, bank stabilisation works and reinstatement of natural flow regimes.</p> <p>There are different funding application forms to choose from when applying for funding:</p> <ol style="list-style-type: none"> 1. Small Habitat action grants – seeking up to \$2,000 funding 2. Large Habitat action grants – seeking up to \$40,000 funding <p>https://www.dpi.nsw.gov.au/fishing/habitat/rehabilitating/ahr-grants-program</p>
<p>Flagship Fish Habitat Rehabilitation Grant Department of Primary Industries</p>	Up to \$400,000	<p>Applications are closed for 2023/2024 and are no longer being accepted.</p> <p>Check website for updates.</p>	<p>The Flagship Fish Habitat rehabilitation program offers to fund individual on-ground works projects that significantly enhance fish habitat, water quality, and fish passage opportunities within the coastal catchments o NSW. Funds may be used for a broad range of actions including project planning, site assessment and on-ground works. Please note, funding requested must, at a minimum, be matched by other financial contributions or contributions "in kind".</p> <p>See website for further details: https://www.dpi.nsw.gov.au/fishing/habitat/rehabilitating/ahr-grants-program/flagship-fish-eoi</p> <p>Future project ideas are encouraged to contact DPI directly. See contact details below:</p> <ul style="list-style-type: none"> • Scott Nichols: scott.nichols@dpi.nsw.gov.au (02) 6626 1396

			<ul style="list-style-type: none">James Wraith: james.wraith@dpi.nsw.gov.au (02) 4916 3817
--	--	--	---

POLLUTION & WASTE			
Go FOGO Grants	Variable- \$10-\$50 per household	Round 2 grants have been awarded. Check website for future updates.	Go FOGO grants support NSW councils to deliver new weekly food only (FO) or food organics and garden organics (FOGO) services to their communities. These may be households that currently have no kerbside organics bin service or households with only a garden waste collection. Two grant rounds are planned for each year for four years starting in the second half of 2022. Go FOGO grants (nsw.gov.au)
Circular Plastics Program	\$100,000 - \$750,000 per project	Round 1 grants are now closed. Funding will be available in future rounds. Check website for future updates.	The Circular Plastics Program provides new grant funding opportunities under the \$10 million Circular Materials Fund (CMF). The CMF was created to support businesses in the transition to better plastic products and increase the recycling rate of plastics in NSW. Stream 1 has been designed for individual manufacturers to apply for funding for projects involving new product design and/or processes in the manufacturing of plastic products. Stream 2 has been designed for projects which involve strong and collaborative partnerships, with manufacturers as the lead applicant, to work across the plastic product lifecycle. Circular Plastics Program (nsw.gov.au)
EPA Grants Calendar	Variable	Open	From July 2022 the NSW Government is investing \$356 million to deliver priority programs and policy reforms under the NSW Waste and Sustainable Materials Strategy 2041 and the NSW Plastics Action Plan . These priority programs will help transition NSW to a circular economy and help mitigate impacts from climate change. There are funding opportunities under the Strategy and Plastics Plan, which can be viewed here: Grants (nsw.gov.au)
Illegal Dumping Prevention Program Grants EPA	Total of \$1.2 million with individual grants up to \$120,000 dependent on	Stream 4 expected to open mid-2024.	The Illegal Dumping Prevention Program Grants provide funding opportunities to councils and public land managers for projects to clean up and prevent illegal dumping and to establish illegal dumping baseline data. Illegal Dumping Prevention Program Grants (nsw.gov.au)

	the funding stream		
Local Government Waste Solutions Fund EPA	Grants of up to \$200,000 for an individual council Grants of up to \$400,000 for a regional waster group or collaboration of councils	Round 3 expected to open September 2024. Round 4 expected to open September 2025. Check website for updates.	Transitioning to a circular economy requires a shift in our current thinking to do things differently. The Local Government Waste Solutions Fund will encourage this transition through supporting innovative waste and recycling solutions designed in collaboration with partners to achieve impactful projects with long-term outcomes. Eligible projects must contribute to achieving at least one of the priorities and targets identified in the NSW Government's Waste and Sustainable Materials (WaSM) Strategy 2041 and the NSW Plastics Action Plan. Local Government Waste Solutions Fund (nsw.gov.au)
Litter Prevention Grants Program	Up to \$10 million is available from 2022 – 2027.	EOI for Intake 4 close 18 October 2024. Intake 4 applications due 22 November 2024. Check website for 2025 Intake 5 application dates.	The Litter Prevention Grants Program by the NSW EPA supports projects across NSW aimed at reducing litter through clean-up events, education campaigns, infrastructure improvements, and innovative solutions. Grants are available for various organisations committed to combatting littering and promoting environmental responsibility. More information can be found here: https://www.epa.nsw.gov.au/working-together/grants/litter-prevention-grants-program/grants-available
Emergency Pollution Clean Up Program NSW Environmental Trust	Variable	Open - ongoing	The Emergency Pollution Clean Up Program (EPCUP) aims to help avoid significant risk to the environment or public health in NSW resulting from pollution. When measures need to be taken immediately (i.e. emergency pollution events) EPCUP contributes funds towards the removal, dispersal or mitigation of serious pollution. The budget is \$0.5 million annually. http://www.environment.nsw.gov.au/grants/EPCUP.htm

Illegally Dumped Asbestos Clean Up Program NSW Environmental Trust	\$2000 onwards annually.	Ongoing	<p>The Illegally Dumped Asbestos Clean Up Program is designed to avoid significant risk to the environment or public health in NSW by contributing funds towards the immediate removal and management of illegally dumped asbestos and other hazardous orphan waste that has been placed or disposed of on premises unlawfully.</p> <p>http://www.environment.nsw.gov.au/grants/IDACUP.htm or email info@environmentaltrust.nsw.gov.au</p>
Improved Systems for Household Problem Wastes – Community Recycling Centres NSW Environmental Trust	Variable	Ongoing	<p>This program is a 9-year, \$14.35 million grants program aimed at establishing a network of Community Recycling Centres (CRCs) for householders to recycle and remove problem wastes. This will be achieved through upgrades to existing facilities, construction of new facilities, or developing and trialling innovative solutions where a fixed facility is not practicable.</p> <p>https://www.epa.nsw.gov.au/working-together/grants/systems-household-problem-waste/community-recycling-centre-program</p> <p>Expression of interest are encouraged. Please contact the Recycling Unit on 9995 6889 or via email recycling.centres@epa.nsw.gov.au</p>

SCIENCE, TECHNOLOGY & RESEARCH			
Committee for Research and Exploration National Geographic Society	\$20,000 - \$100,000 USD	Funded twice a year, with proposal deadlines in April, secondary application dates to be updated.	The National Geographic Society awards grants for scientific field research and exploration through its Committee for Research and Exploration. All proposed projects must have both a geographical dimension and relevance to other scientific fields and be of broad scientific interest. Applications are generally limited to the following disciplines: anthropology, archaeology, astronomy, biology, botany, geography, geology, oceanography, palaeontology, and zoology. https://www.nationalgeographic.org/grants#
Environmental Research Grants NSW Environmental Trust	Up to \$200,00	Applications by invitation only. The program will reopen for new EOIs in 2024. Check website for updates.	This program supports projects that develop knowledge and skills in protecting and restoring our environment. Program proposals are expected to incorporate the following elements: <ul style="list-style-type: none"> •environmental benefit •community need •collaboration •transformative learning leading to behaviour change •evaluation and dissemination https://www.environment.nsw.gov.au/funding-and-support/nsw-environmental-trust/grants-available/environmental-research
The Hermon Slade Foundation Grants The Hermon Slade Foundation	Up to \$30,000 per year for up to 3 years	Applications Open 27 Jan 2025 Applications Close 14 March 2025 Funding from July 2025	The Hermon Slade Foundation supports activities that aim to improve systems of managing land, water, plants and animals in ways which will enhance the productivity and quality of food, fisheries, plants and forests while simultaneously conserving the natural environment, preserving biodiversity, avoiding pollution of soils and water and enhancing human welfare. Typically, the Foundation provides grants for research projects in the biological or biophysical sciences of up to A\$30,000 per year for up to three years. http://www.hermonslade.org.au/guidelines.html
Discovery Projects Scheme Australian Research Council (ARC)	\$30,000 to \$500,000	EOIs closed 27 February 2024. Check website for future updates.	The Discovery Projects schemes provide grant funding to support research projects undertaken by individual researchers or research teams. The scheme's intended outcomes are to expand the knowledge base and research capacity in Australia and provide economic, environmental, social and/or cultural benefits for Australia.' https://www.arc.gov.au/grants/discovery-program/discovery-projects
Research Fellowships NSW State Library	Variable	Various funding opportunities are open. Check website for fellowships.	A range of funding opportunities are available from the NSW State Library to encourage and support the use of the Library's collections for the study and research of Australian history and various topics and issues affecting Australia. www.sl.nsw.gov.au/about/awards/index.html

AWARDS		
AAEE NSW Environmental Education Awards	Nominations open June 2024	The NSW Environmental Education Awards recognises individuals in NSW who show outstanding abilities to raise the level of environment awareness in the community and who provide leadership, innovation and inspiration to others thus contributing to quality environmental education. https://aaeensw.org.au/nsw-environmental-education-awards/
AR Bluett Memorial Award LGNSW	Entries will be accepted from 3 June and close 31 July 2024.	The A R Bluett Memorial Award recognises Councils that are the most progressive in the state. Entry is open to all NSW councils irrespective of size or resources. http://www.lgsa.org.au/events-training/ar-bluett-memorial-award
